

HALF OF HIS TONGUE CUT OFF IN OPERATION, HE CAN STILL TALK

Dr. Lake Undergoes Three
Cancer Operations, Two With
Only Local Anesthesia.

BALTIMORE, May 7.—Recovered, he says, from the effects of a series of operations for cancer of the tongue, Dr. Edward F. Lake of Denver, Col., Past Grand Master of the Knights of the Golden Eagle, has left St. Agnes Hospital. Still able to speak, he will spend a few days in New York, and then will go home and resume his practice.

"I have been," he said, "a great smoker, and I did not know the dangers of white patches that may develop on the tongue or on other parts of the mucous membrane of the mouth of smokers."

"There have been three operations: first, removal of all the glands of the neck under the jaw; second, the complete removal of the right half of the lower jaw; third, the removal of the lower half of the tongue and floor of the mouth. The last two operations were performed under local anesthesia and I was surprised how little I suffered."

Continuing, Dr. Lake warned against delay when some disturbance manifests itself in any part of the mouth. The sufferer should cease smoking and undergo an examination, said he.

"Delay is simply gambling with death," he added. "Cancer may develop at any moment—no one can tell when. After it has developed it begins to extend."

Lawyer Declared Well of Cancer

by John Hopkins Doctor.

Samuel A. Patterson, a prominent lawyer of Asbury Park, N. J., received in his office yesterday the congratulations of friends on the apparent success of the radical treatment for cancer employed for his benefit by Dr. Howard A. Kelly of Johns Hopkins University, Baltimore.

Mr. Patterson had suffered for some time with a cancerous growth on the tongue and had been advised to undergo an operation. He had refused to do so until he had been examined by Dr. Kelly, who had diagnosed him as cured.

HOW IS A KID GOING
TO LIVE IN NEWTON?

School-Excuse Notes Real Forgeries
and Curfew 8:15, With Fines
as Penalties.

Remember the notes you used to write when you were a kid and had to go to school next day after taking a surreptitious day off for the autumn-holiday? Dear Teacher, please excuse John Jones for being absent, he was sick respectfully yours Mrs. Jones. Nothing like that goes in Newton, N. J., after this. Town-Attorney Henry Kava has just drawn up an ordinance which provides a 45 fine for such forgeries—the intent to pay. Also he has a new curfew law for those under sixteen. They must be home by 8:15 in winter, 9:15 in summer. Fines for violations are \$1 for the first, \$2 for the second and \$5 afterward.

No place for a regular kid!

J. SERGEANT GRAM BADLY INJURED IN SLIGHT FALL

Service Commissioner's Nose and a
Knee Cap Broken at His
Country Home.

Public Service Commissioner J. Sergeant Gram is suffering from a broken nose and fractured left knee cap, received Monday night at his country home in Old Westbury, L. I. Mr. Gram, after being treated by a local doctor, immediately came to New York and registered at the Hotel St. Regis under the care of Dr. Herman Biggs and Dr. Walter F. Chappell.

It was said to-day that Mr. Gram's condition had improved slightly, but it was feared his knee injury might cause permanent lameness.

The Commissioner, it was learned, received his hurts in groping about a darkened room. He ran into an electric light bulb, which exploded. Mr. Gram fell forward on his hands and knees, his nose striking a chair.
